

UpToDate®

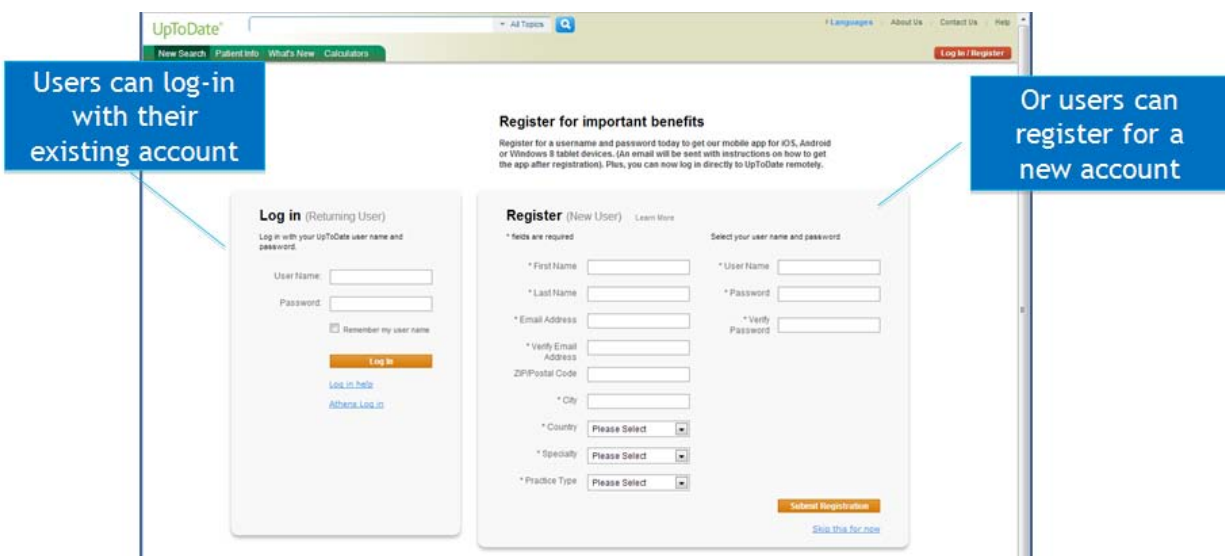

UpToDate® Anywhere Access Tip Sheet

1. Open up UpToDate by going to www.uptodate.com or from the UpToDate link on the [library page](#) from an on-campus computer.
2. Click the Login/Register button in the upper right hand corner(see screen shot below)

Remember: You must register from on campus to gain access to the mobile apps and accrue CME credits.

3. When the Registration Page appears, complete the required fields in the “Register (New User)” section. Click “Submit Registration.” **This is a onetime registration.**

4. After registration is complete, users will receive an email with instructions on downloading the mobile app.

You are now registered and ready to download the mobile app!

For more information, Contact Customer Service at:
1-800-998-6374 or email customerservice@uptodate.com

Download the UpToDate® Mobile App

1. Go to your respective App store, and download the free UpToDate Mobile App.
2. Use your UpToDate Username and Password created during the registration process to log in to the app.
3. You may download and log in to the UpToDate mobile app on up to two different devices.

Using UpToDate Off-site:

In addition to the mobile device, with the credentials that you created during the registration process, you can now access UpToDate from any computer with internet access by going to www.uptodate.com and clicking the “Log In” button located in the top right corner of the website.

30 Day Re-verification Required:

You need to verify affiliation with **LSU Health** Network to maintain mobile and remote access. Complete verification once every 30 days by logging into UpToDate from a computer on campus. Go to www.uptodate.com or click on the UpToDate link on the [library page](#).

Please Note: UpToDate will inform you by email of the need to verify affiliation if you have not done so by day 25. You will receive a second alert at day 30. If you fail to re-verify by day 30, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined above. Electronic health record users will be automatically re-verified through the EHR.
