

# UpToDate®

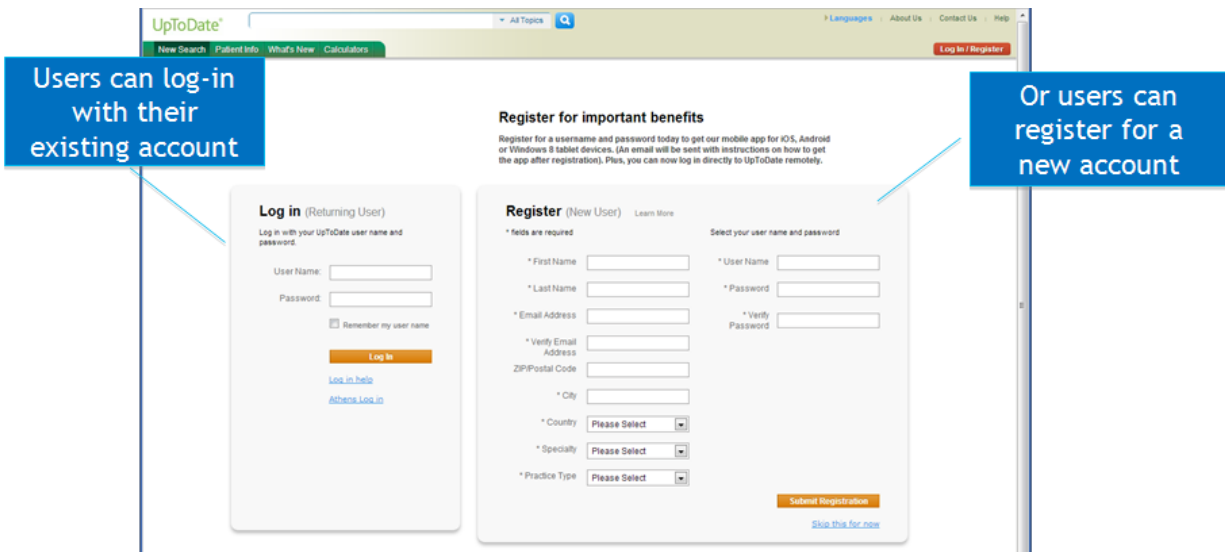

## UpToDate® Anywhere Access Tip Sheet

1. Open up UpToDate by going to [www.uptodate.com](http://www.uptodate.com) from a computer connected to the **LSU Health** Network.
2. Click the Login/Register button in the upper right hand corner(see screen shot below)

**Remember:** You must register from within **LSU Health** network in order to gain access to the mobile apps and accrue CME credits.

3. Complete registration fields (left side-New User) or log in with current UpToDate credentials (right side- Existing User) when the Registration Page appears. Complete the field and click “Submit Registration.” **This is a onetime registration.**

4. After registration is complete, users will receive an email with instructions on downloading the mobile app.

For more information, Contact Customer Service at:  
1-800-998-6374 or email [customerservice@uptodate.com](mailto:customerservice@uptodate.com)

## You are now registered and ready to download the mobile app!

### Download the UpToDate® Mobile App

1. Go to your respective App store, and download the free UpToDate Mobile App.
2. Use your UpToDate Username and Password created during the registration process to log in to the app.
3. You may download and log in to the UpToDate mobile app on up to two different devices.

### Using UpToDate Off-site:

In addition to the mobile device, with the credentials that you created during the registration process, you can now access UpToDate from any computer with internet access by going to [www.uptodate.com](http://www.uptodate.com) and clicking the “Log In” button located in the top right corner of the website.

### 90 Day Re-verification Required:

You need to verify affiliation with LSU Health Network to maintain mobile and remote access. Complete verification once every 90 days by logging into UpToDate by going to [www.uptodate.com](http://www.uptodate.com) from a computer or device connected to your organization’s Wi-Fi or VPN network.

**Please Note:** In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. If you fail to re-verify, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined above.
